

Dear Wyneken Families,

Christmas is just around the corner! We are once again supporting the Christmas families of our Lutheran Social Services of Indiana.

The program will run just as it did last year. We will participate in the following three ways:

1. We will purchase gift cards - \$50 for each family member and \$100 for groceries. The staff at LSSI will shop with the families to ensure appropriate use of funds. These funds will come from our weekly chapel offerings and any donations sent in to school.
2. You may shop for popularly requested children's items via the LSSI Amazon wish list (www.lssin.org/christmas). Items may be dropped off at school or sent directly to LSSI. You may also shop for general items as listed below. Any items sent to school must be sent in by Dec. 5. All items must be new and not wrapped.
3. Any monies collected at Wyneken that are above and beyond the needs of our adopted families will be used in LSSI's Cup of Kindness for direct assistance needs such as bus passes, utility bills, or food vouchers.

We will be emphasizing different items to be collected during the month of November. (You may send in anything from the list at any time).
